Advanced Camp

2018

June 18-22

July 16-20

An intensive camp for 10-18 year old students who would like to improve both their riding and horsemanship skills.

**Contact Jenn at 267-446-6583
Jentristables@gmail.com**

Our Camp Program Includes....

Daily Riding Instruction:

Students will ride each morning for approximately 2 hours of group instruction focusing on both flat work and jumping skills. We will have a flatwork session, gymnastics session, course work session, games, and trail riding day.

Trail Riding:

We will trail ride and lesson in the field. Students will have the opportunity to experience cross country riding and jumping. Weather permitting, we will trail ride at Bucks County Horse park each session.

Showing:

Students will have an opportunity to participate in a horse show during camp. We will learn about judging, course design and show preparation.

Limited Enrollment!

In order to provide the best experience and most hands on participation, camp will be limited to 12 students this year.

Horsemanship:

Dr. Jen Buchholz will lecture on horse health topics. Students will learn about conformation, proper feeding and nutrition, basic first aid and more! Students will be exposed to all facets of horse care, stable management and horse showing through these hands-on lectures.

What to bring?

Students should wear appropriate riding attire and pack a lunch each day. On show days, students are asked to wear boots and breeches and a polo or riding show shirt.

Dates and Hours:

2018 Dates are: June 18-22 and July 16– July 20.

Camp runs Monday through Friday from 9-3.

Tuition is \$475 for one week or \$875 for both weeks. ALL clinic, horse park and showing fees are included in camp tuition

This is an advanced camp for mature students. Participants must be able to tack and untack independently, ride safely at the walk, trot and canter and over courses of small jumps. The afternoon lectures will include mature content provided in a scientific manner on animal husbandry and healthcare, so parents should be sure their children are comfortable with these topics.
